Dear Dr. Stein & Staff,

I wanted to take the time to thank you for the great care and compassion you showed towards Robin during his visit last week. I look forward to a long and healthy future with Robin in large part due to services such as your fine practice offers.

I thought it only appropriate that you be the first recipient of one of Robin's new "hope" cards made by the Land of Puergold website, that have Robin's photo on the front & story on the back. Thanks again for everything!

Mary MacQueen & K-9 Robin
